

# Are you caring and passionate about the fight against COVID-19?

Join our Staffordshire People Hub and support our health and care workforce in the fight against COVID.

The Staffordshire Health and Care People Hub have numerous opportunities within the NHS and care sector including:

- **Antibody Testing**
- **Vaccine delivery**
- **COVID Testing**
- **Test and Trace**
- **Nursing and Healthcare support**

**What experiencing do I need ?** Experience in health and social care would be preferred, past or present. However, experience is not essential, we need clinical and non-clinical support so please contact us if you are interested in helping.

**Training** - Full training will be provided.

**Hours** – Flexible hours available including evenings and weekends

**Pay** – Agenda for Change pay scale rates

**Start date** – immediate assignments available
